

MATTINGLEY PARISH NEIGHBOURHOOD WATCH

A group of Mattingley residents have set up a neighbourhood watch group – the Mattingley Parish Neighbourhood Watch. The independent watch group is supported by the Mattingley Parish Council and the two bodies will be working closely together.

The Mattingley Parish Neighbourhood Watch is an umbrella group for the whole of Mattingley parish. The umbrella group are setting up smaller local Neighbourhood Watch groups to cover areas of the parish because small groups work well.

If you would like to find out if there is a group covering your area in Mattingley parish you can check on the website of the Hampshire and IofW Neighbourhood Watch at <http://www.hinwa-nw.org.uk/>. You just need your post code.

If there is not a Watch group covering your area of Mattingley parish you are invited to contact the main coordinator, who is Leonard Crane, who will be very pleased to help you set up a NW group. Leonard says it is not as difficult as you may think and he will take you through how to set up and run a group.

Leonard would be pleased to discuss Neighbourhood Watch matters with anyone interested in setting up a NW group and who lives outside of the parish.
