

Mattingley Parish Community Support Network (MPCSN)

Helping Neighbours and Friends.

The MPCSN is a group of Mattingley parish locals who have got together to help their local friends and neighbours. We are working in conjunction with the Whitewater Churches Team and Mattingley Parish Council.

Below are details about the the Whitewater Churches Team and their contact details plus details of what two local pubs are doing. Also, you will find details of help being offered by Mattingley Parish Council.

So if you need a bit of help or guidance or just want to talk about the situation please do get in touch and we will see what we can do to help you. I have contact details of people near to you who are able to offer help.

We are leafleting the Mattingley parish area with the information but if you have not received a leaflet I can provide the one for your area.

If you do not need help but you can offer it please contact me.

Leonard Crane

Parish of Heckfield with Mattingley and Rotherwick - The Whitewater Churches Team

Dedicated pastoral support line 07793 078062 (Shona Hoad and Canon Marion de Quidt).

Many of you will be following the news and the advice that seems to be changing on a frequent basis at this time of uncertainty. As a church we want to support both communities and individuals as best we are able and we are glad that many local groupings are already taking action in this regard.

The Whitewater Benefice comprising Heckfield, Hook, Mattingley and Rotherwick has a dedicated telephone number for people to call with any requests (practical or prayer) for support at this time that we might be able to help with. The number is being monitored regularly so if you do not get through directly to someone please leave a message and we will return your call as soon as we are able.

Please be assured of our love and prayers for everyone at this time.
